# About FP Trading

FP Trading is a globally regulated broker built for traders who value transparency, protection, and precision. Regulated across multiple jurisdictions, backed by \$1,000,000 in client insurance through Lloyd's of London, and a certified member of the Financial Commission, every account operates under some of the strongest safeguards in the industry. Whether you are trading Forex, Metals, Shares, or Indices, every position sits on deep Tier 1 liquidity and institutional-grade infrastructure.

# Company snapshot

At FP Trading, every account comes with an edge. Professional-grade market intelligence powered by Trading Central and FP Trading AI is included at no extra cost, delivering daily trade ideas, technical analysis, and real-time market insights built for smarter decision-making. Paired with spreads from 0.0 pips, leverage up to 1:500, and access to industry-leading platforms, FP Trading gives you the tools, pricing, and edge to trade smarter from day one.

# What is the Hybrid Program?

The Hybrid Program combines an upfront CPA reward with recurring rebates on every trade your referred clients place. You earn today, and keep earning for as long as they trade.

## Who can become a hybrid partner?

- Established affiliates
- Media buyers with traffic
- Signal providers
- IBs with growing networks
- Content creators
- Regional partners

# Why partner with FP Trading?

You get the upfront payout of an affiliate deal and the lifetime income of an IB deal, on one tracking link and one portal.

Two ways to earn. One program.

1

## Refer clients

Use your tracking link to bring clients to FP Trading through any channel.

2

## Client qualifies

Client funds their account and reaches the qualifying trade volume. You earn the CPA payout.

3

## Client keeps trading

You earn recurring rebates on every trade they place, for as long as they trade.

4

## You keep earning

CPA upfront plus rebates for life. Two income streams from every referral.

Over \$1,000,000 in commissions already paid out to our hybrid partners worldwide.

## Regulated and Trusted

Regulated broker backed by the Financial Commission and Lloyd's of London insurance.

## Real Time Commissions

Your CPA lands the moment your client qualifies, no waiting weeks.

## Your Own Manager

A dedicated account manager supports your hybrid business from day one.

## Marketing Toolkit

Banners, landing pages, and branded materials tailored to your market.

## Realtime Portal

Track clients, monitor commissions, and manage your business in real time.

## Fast Payouts

Multiple and quick withdrawal methods and reliable payment schedules.

## Wide Market Access

Offer clients Forex, Metals, Indices, and Commodities across MT4, MT5, cTrader.

## Copy Trading

Attract more clients by offering access to FP Trading's copy trading features.

Start earning up to  
\$225 per client.

Then keep earning up to  
\$3.00 per lot.
